## THE CLANRYE BRAMBLE

£8.50

Expertly put together with a combination of Malfy blood orange gin, Chambord raspberry liqueur, crème de mure and fresh lemon juice, simple syrup and garnished with fruits. The Clanrye River is found across the road and is fed by many streams that are both in Down and Armagh. The river makes a historical border between both Counties. CLANRYE comes from the Irish AN GLEAN Ri meaning the kings valley. This is the drink of kings.

## COBBLES ICE TEA

£7.95

Our twist on a classic Smirnoff no21 vodka, Gordon's Gin, José cuervo especial tequila, Bacardi carta blanca, grand Mariner fresh lime and layered with coke. Cobbles has been owned and run by the Downey family from 2006 and serving the community all the while.

## COSGROVES COSMO

£7.95

An elegant blend of Smirnoff no21 vodka married with Cointreau orange liqueur, fresh lime, cranberry juice, orange bitters and flamed orange zest. Cosgroves was also a long-forgotten name put on this premises, by the local family of the same name.

## DUTCH ROOMS DAIQUIRI

£7.95

A classic combination of Havana club original spiced gold rum, Bols strawberry liqueur, strawberry puree, lime juice, sugar syrup and garnished with some Dutch flair. Its name derives from way back in the early 70s when upstairs of the building was called the Dutch rooms.

## SESSION HOUSE SEX ON THE BEACH

£7.95

An old classic made with Smirnoff no21 vodka, Archers Peach Schnapps, orange juice, Grenadine raspberry syrup and Garnished with an orange slice. The session house was Newry's court house back in the 1800s which was a few yards around the corner on Margaret square. it's definitely not a place you would like to be visiting, but if you were bold enough your head would have been put on a spit outside to deter anyone who dared to offend. But don't let that frighten you off trying our take on a classic.

## NEEDHAM STRONG

£8.95

Grey goose l'orange premium vodka, Malibu Caribbean rum, Archers peach schnapps, Monin blood orange syrup. Shaken with orange, pineapple juice and garnished with a Caribbean twist. Needham is the bridge that can be seen out of our windows and it was built in the early 1800s and spans both the clarye river and the Newry canal.

## SO HO MOJITO

£7.95

A traditional Cuban drink made with Cuban Havana club Rum, zesty lime, fragrant Mint, Angostura bitters, all muddled to a perfect mash and topped with soda water and frappe ice. SOHO PLACE was the name given to this bar in the 90s by its previous owner.

## THE CANALS CAPTAIN JAM

£7.95

Our own creation blended from Morgan's spiced rum, Archers peach schnapps and Apricot reduction, a dash of lemon juice and lengthened with apple juice. The canal is one of Newry's proudest creations opened in 1742 and we are just as proud of our cocktails as we are of it.

## THE MALL BREW MARTINI

£8.50

A take on a classic espresso martini with no 21 Smirnoff vodka, Tia Maria coffee liqueur, Crème de cacao blanc, sugar syrup and finished with a fine dusting of nutmeg. There is a long history of brewing in Newry going as far back as the 1700s and maybe further. The most famous being Darcy's which was just off the mall, the road parallel to the river. The company has reopened and will produce some fine whiskeys that will soon be ready to taste.

## WANDER INN STAGGER OUT

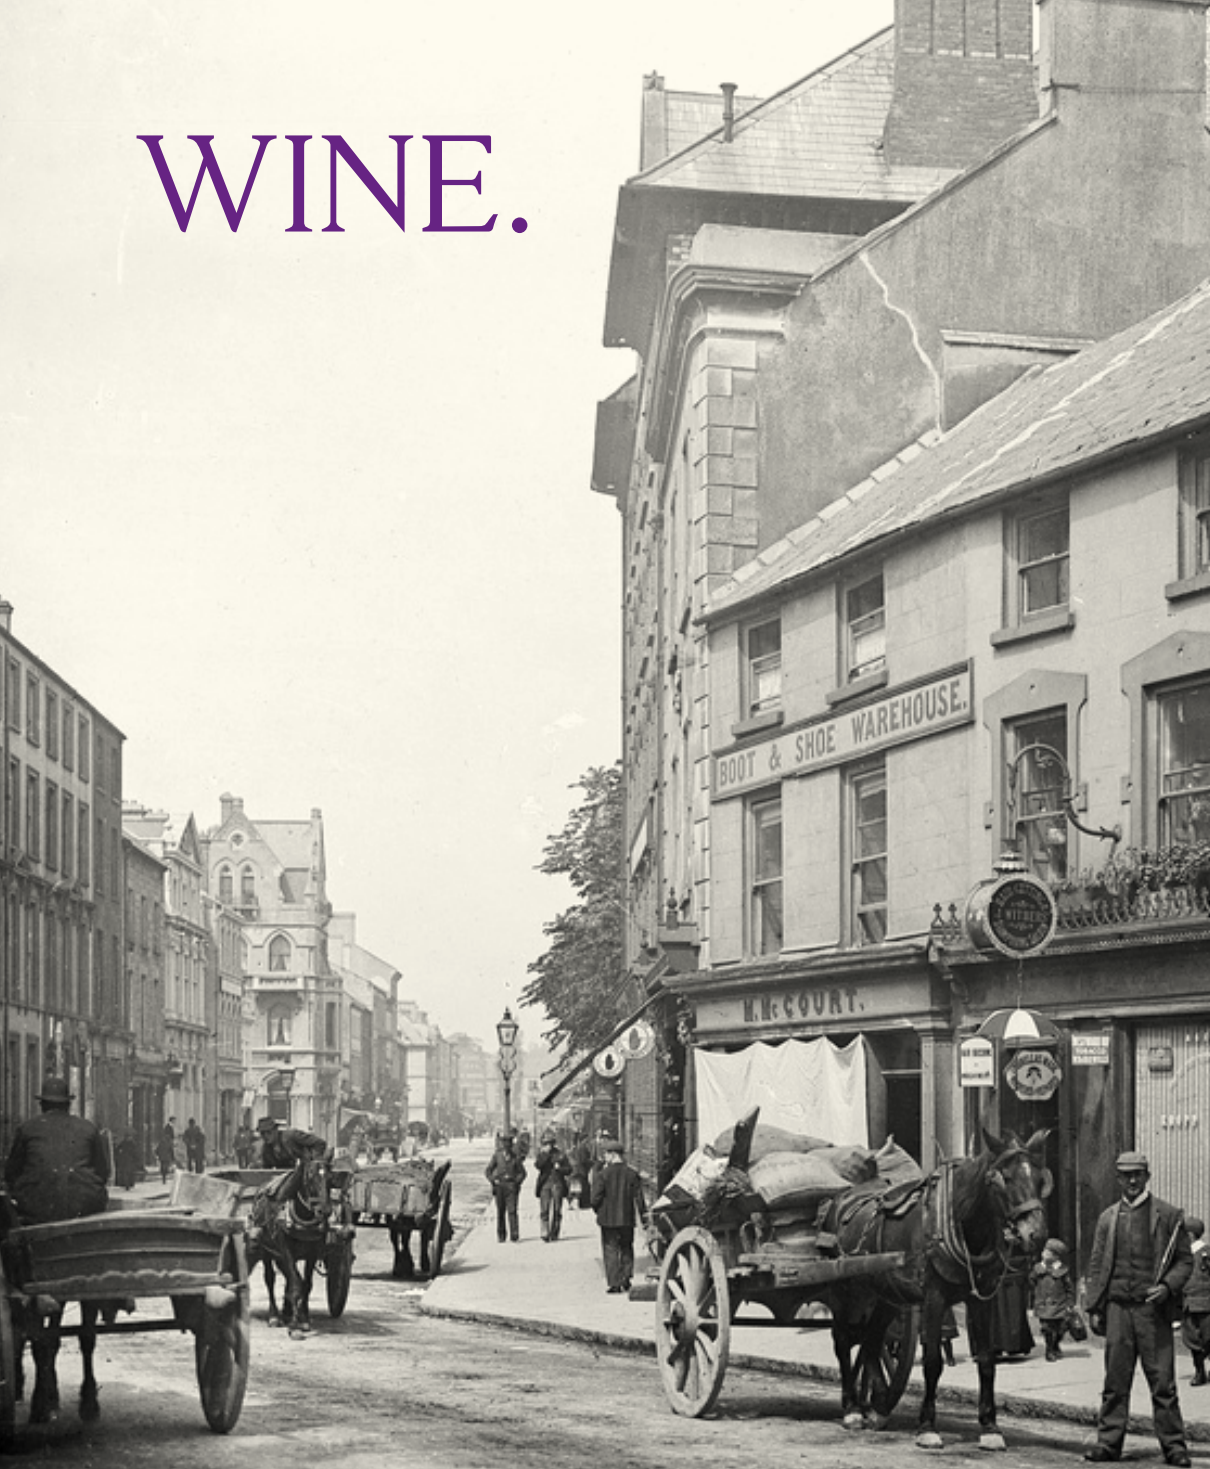

£8.50

Jameson caskmates, Irish whiskey, fresh lemon, fresh lime and sugar syrup with a dash of egg white all shaken to a frothy perfection and topped with a merlot float. This whiskey sours cocktail lends its name to the old Wander Inn which was another old name for the bar you are standing in today. The locals joked about its name, saying if you wandered in you would stagger out. (contains egg)
